The Sponsor will have exclusive naming rights and ownership of the Arena with opportunities to distribute promotional material, theme the area, work with the MC, run your own TVC on the Big Screen and much more.

Breed Showcase

One of our most popular features where visitors can see, compare, pat and learn more about a wide range of well-known and not so well known Dog breeds. It's an exciting sponsorship opportunity upon which to leverage your brand and products with unprecedented signage opportunities covering a large section of the Show on every breed stand.

Dog Adoption Zone

The Dog Adoption Zone provides visitors with all the re-homing info they need, with experts on hand and Dogs ready to adopt now at the show to meet. Visitors can even fill out the application form at the event to start the process. It presents a unique opportunity for a company to align their brand with rescue and gain extensive exposure in doing so, plus working closely with our team to help find loving homes for as many homeless Dogs as possible.

Sponsorship Packages

Sponsorship Packages

Stage

The Main Stage provides visitors with expert tips for a healthier, happier Dog with talks on training, behaviour & preventative healthcare. The program featured Dr Chris Brown, Dr Lisa Chimes, Dr Katrina Warren and more with exciting line-ups always planned for future shows. It's a great opportunity to own the Main Stage with exceptional branding and sampling opportunities on-site.

Ask-A-Breeder Stage

This stage provides the opportunity to sponsor talks from exhibiting Breed Clubs as they provide insights into their beloved breed, share their expertise on key characteristics and the information visitors need to establish the breeds most suitable to them.

DockDogs

DockDogs will WOW visitors at the 2018 events as it's Australia's most exciting Dog entertainment and competition with a wide range of breeds launching themselves off a dock into a massive pool! Own this feature and gain unparalleled exposure before, during and after the Show as it will again draw enormous publicity that would include the sponsors brand.

Dog-friendly destinations (Information Wall)

Dog owners love getting out and about in the great outdoors with their pooch! So this feature details all the off-leash parks, beaches and reserves areas across metropolitan Melbourne, Sydney and Brisbane.
