Founder and CEO, Jason Humphris said "Since 2013, the **Dog Lovers Adoption Zone** has helped to find homes for over 3,000 pooches in need around Australia. The Dog Lovers Show presents an action-packed agenda of activities and events but also raises awareness around dog care, behavior and education on responsible dog ownership. It's one of the best days out in Sydney and a valuable event for anyone looking to find the right dog for them and to learn more about our best friends."

The **Ask-A-Breeder Stage, Pat-A-Pooch** and **Bow Wow Meow's Pawfect Match Zones** will provide reliable information on hundreds of breeds with educational talks, dog breed selection surveys and experts on hand for visitors to learn more about canines of all shapes and sizes.
