## SYDNEY DOG LOVERS SHOW

### THE MOST REBARKABLE EVENT IN THE WORLD RETURNS AUGUST 5 & 6

Hundreds of hounds are bounding back to Sydney for the fourth annual **Dog Lovers Show** at the Hordern Pavilion and Royal Hall of Industries on Saturday 5<sup>th</sup> and Sunday 6<sup>th</sup> August, joining some of the biggest and most respected experts in the pet industry.

Celebrity vet **Dr Chris Brown** is taking to the stage with a series of new and informative talks, joined by beloved vet **Dr Katrina Warren and the Wonderdogs** who are premiering a brand new show – The Wonderdogs go on holiday.

The celebrity-studded line up continues with Hero Dog Ambassador and Neighbours star **Andrew Morley**, TV Vet **Lisa Chimes**, celebrity animal trainer **Peta Clarke** (whose credentials include *Babe* and *Legally Blonde the Musical*), K9 trainer **Steve Austin** and discgility pro **Rodney Gooch**.

After a smashing success in Melbourne, the inaugural Sydney **Insta-Pooch Zone** will see the most famous #DogsofSydney sashaying down the red carpet Dog-walk to be interviewed, snapped by the pup-arazzi and taking their rightful place on velvet thrones. It's the one place for Sydneysiders to meet, greet and snap a selfie with some of their furry Instagram idols.

Crowd pleaser (and people-drencher) **DockDogs® by BlackHawk** is set to make a triumphant return as pooches of all shapes and sizes launch themselves into a massive 100,000 litre pool in the hopes of taking out the coveted titles of longest and highest jumps and fastest retrieval.

Whether in the field of duty or in our homes, dogs are everyday heroes. For the first time the Dog Lovers Show will honour our furry saviors in the brand new **Hero Dog Tribute**. From military, assistance, customs, security and rescue dogs to guide, hearing, PTSD and therapy dogs, *plus* the most incredible dogs in the local community, it is a rare chance to learn more and actually pat and interact with some of these heroic canines.

The **KONG Celebrity Vet Stage** returns with a bumper educational program delivered by some of Australia's most beloved pet professionals, each with their own take on what you can do as a dog owner for a healthier and happier pooch.

Sprinting, weaving and over achieving, Frisbee retrieving canines are just one of many action-packed dog shows being presented in the **Royal Canin Arena**. The Dog Lovers Show continues to connect Sydney dog-adorers with hundreds of local pooches and for the first time Dr Chris Brown will host the all-new **Breed Showcase** in the Arena with some unique and often unknown dogs being featured. Visitors can also get up-close-and-pawsonal with around 100 breeds throughout the show including over 40 DOGS NSW Breed Clubs taking part in the **Breed Showcase** with pawsome Pugs, cuddly Collies and coiffed Cavaliers to name a few – there is truly a breed for everyone at the Show!

For visitors looking to snuggle with an array of beautiful dogs of all shapes and sizes then head to the **Channel 7 Pat-a-Pooch Zone** and recline in a sea of beanbags and get covered in dog hair!

Continuing their commitment to supporting local rescue groups, the Dog Lovers Show will once again feature over 30 NSW shelters in the **Rescue Dog Zone**, where visitors can learn more about adoption, actually start the process and meet with dozens of abandoned pooches looking for their fur-ever homes.

In addition to the plethora of pooches and a flurry of furry action on the main stages, the latest and greatest in products to hit the pet market will be on show in what can only be described as a dog's dream. The best in technology, health care, food, toys, grooming, therapy, education and accessories are set to have dog owners walking out the doors with armfuls of doggy bags. A huge array of really cool new products are also being launched at the event this year with exclusive show specials and stacks of great Xmas gift ideas to reward your pooch.

#### **CAN I BRING MY DOG?**

We love dogs but due to safety reasons and because it's an indoor event, unfortunately visitors are unable to bring their dogs to the Show. For full details on this policy visit this page of the website: <http://dogloversshow.com.au/sydney/visitor-info/can-bring-dog-show/>
